The City of Winnipeg Assessment and Taxation Department is collecting information to prepare for the next General Assessment. For property assessments to reflect market values, it is necessary to collect accurate operating income and expense information for income producing properties. We are requesting information relating to income and expenses for the property referenced above.

Assessment and Taxation is collecting information from operating statements ending in 2024, or with year-end dates closest to APRIL 1, 2025.

There are three options for returning the information via our website at winnipeg.ca/IncomeExpense.

1. Enter Online:

Go to My Properties (Winnipeg.ca/MyProperties) to enter the information in our online application. Click on the Login button or create an account, using your private user ID# XXXXX and roll number for the referenced property.

2. Submit Financial/Operating Statements:

Use our online webform to submit financial statements for the referenced property.

3. Download, Print and Remit:

Copies of our forms are available for printing. Mail, fax, or e-mail completed forms to our department.

Mail to: Assessment and Taxation Department, 510 Main Street, Winnipeg, MB R3B 3M2.

We ask that the information be returned to our office on or before May 1, 2025 . Failure to respond with the requested information can result in fines and penalties, as outlined in The Municipal Assessment Act.

In the event that you are responding with information on more than one property, please provide separate returns for each property roll number.

We are confident that your cooperation will result in an accurate and fair property assessment.

If you have any questions, or wish to request printed copies of the documents in English or French, please call the 311 Customer Contact Centre by phone at 3-1-1 (toll free 1-877-311-4974).

INSTRUCTIONS FOR COMPLETING QUESTIONNAIRES

GENERAL INSTRUCTIONS

The forms contained in this package indicate a 'DUE DATE' of May 1, 2025.

The intent is to collect information regarding operating statements for 2024, or with year-end dates closest to April 1, 2025.

Please complete the "certification" section on all applicable forms. If submitting your own forms please complete and return applicable "certification". If we require clarification or additional information, it is important for us to have a contact person identified.

PROPERTY INCOME AND EXPENSE QUESTIONNAIRE (FORM: 529-3)

If the property is 100% owner occupied, then complete the "Annual Expenses (Property)" and "Capital Cost Summary" only.

"Property Information"

Line 302 – Average % of Space Vacant – This should reflect the average percentage of area that was vacant through the period. This is calculated using the area vacant and the duration of vacancy in your calculation. For example - In a 10 unit strip mall (all units equal in size), if one unit is vacant for 6 months, this would amount to a 5% vacancy (10% for half a year).

Lines 304-311 – Parking Information – These fields are required (and the form is to be returned) for any property that has parking revenues – even if submitting financial statements.

"Rental Income Loss"

Line 123 – Vacancy – This is the loss in revenue due to actual vacancy, calculated based on the anticipated rental income.

Line 124 – Bad Debt – This is the loss in revenue resulting from unpaid or uncollected rent.

"Certification"

If submitting your own forms please complete and return applicable "certification".

TENANT VERIFICATION FORM (FORM: 529-4)

This form must be completed for ALL non-residential space, if a separate rent roll is not provided. Enter the tenant information as of the recorded year-end. Please indicate all occupied space – including Owner Occupied units.

In the column "Primary Use", please indicate the predominant use of the premises or unit. For example, tenants are located in a shopping mall, and each individual unit may have a different use. A vacant unit would be listed as "Vacant - 11", while the Clothing Store (or unit) would be listed as "Retail - 6".

Explanatory notes on lease terms or conditions for individual tenants can be provided in the "Premise Comments" area.

MULTI-FAMILY QUESTIONNAIRE (FORM: 529-5)

This form must be completed for all multi-family properties, i.e. apartment blocks, mixed-use properties and residences with more than two dwelling units.

If the property is mixed use, e.g. commercial on the main floor and apartments above, then this form must be completed along with the Tenant Verification Form, FORM: 529-4. The Tenant Verification Form should list all of the commercial tenants only.

In the "Property Features/Amenities" section, please specify features such as recreational rooms, meeting rooms, exercise rooms, and extra storage space (non-suite) for tenants.
