AMOUNTS TO BE RAISED FOR SCHOOL PURPOSES

SCHOOL TAXES

Provincial Legislation requires the City of Winnipeg to collect the School Division and Provincial Education Support taxes. These taxes are set by and go directly to the School Divisions and the Province.

SCHOOL DIVISION TAX

Education costs over those provided for through the Provincial Support Program are raised by fixing a separate mill rate for each School Division and levying a tax on the assessable property within that division. In 2003 the number of School Divisions were reduced from eleven to eight due to amalgamation

School divisions include:

- Winnipeg School Division
- St. James - Assiniboia School Division
- Pembina Trails School Division
- Seven Oaks School Division
- Seine River School Division
- Interlake School Division
- Louis Riel School Division

PROVINCIAL EDUCATION SUPPORT TAX

The Education Support Program is managed by the Public Schools Finance Board. It is responsible for collection of the annual requirements and the distribution of funds to the school divisions. In 2007, the City's share of the Education Support Program required the City to levy Taxable Assessment rates of 16.022 mills on all other property (excluding farm property which is exempt from the support levy). 2006 saw the elimination of the Education Support Levy from residential properties.
